

FUN AND FAITH

Hempsted Children and Families Newsletter

Hello and happy September!

I do hope you've had fun in the holidays. Everyone at Hempsted Church is thinking of you all as you return to school and play-group or go to school for the first time. We hope you have a great time!

Everyone in the World needs water

At Messy Church we've been thinking a lot about our planet and how we can care for creation and our environment. In September we will be finding out about wonderful water. come along to Climate Sunday for activities, prayers and discover what we can do to help people around the World have clean, healthy water to use.

How many ways do we use water? Try this watery wordsearch to get you thinking.
